Huddle: Enabling SNAP Camera

Enabling **ALL** your favorite **SNAP** filters for use within net2phone huddle is easy!

1. Visit <https://snapcamera.snapchat.com>
2. Download the exe (win) or pkg (mac) file depending on your operating system.
3. Complete the SNAP Camera installation steps.
4. Start/run the SNAP camera application and choose your desired filter.
5. Visit <https://huddle.net2phone.com>
6. Click the Cog to edit your settings.
7. Under the Devices tab, select the SNAP Camera.
8. Click OK
9. Log into your huddle meeting and enjoy the laughs!

The screenshot displays the net2phone huddle interface. At the top, it shows the date and time: Tuesday, Sep 22, 2020, 10:51 AM. A red callout bubble points to a 'Click Here For Settings' link. The interface includes a 'START HUDDLE' button and a 'JOIN WITH ID' button. Below these, there are sections for 'SCHEDULED MEETINGS' and 'YOUR MEETINGS'. A meeting titled 'N2P Tier 3' is listed with ID: nka-v2i-7uk and Passcode: 371498. A red callout bubble points to the 'Select Snap Camera' option in the 'Camera' dropdown menu of the settings dialog. Another red callout bubble points to the 'OK' button in the settings dialog.
